

Beautiful and Easy Layered Stencil Cards

Hello my Friend and Butterfly Kisses Cards

Supplies Provided in Kit

- TCW6049 A2 Butterfly Ferns Frame Stencil
- Catherine Pooler Lilac Ink
- Catherine Pooler Crushed Violet Ink
- Catherine Pooler Eucalyptus Ink
- (2) white A2 Card base and envelope
- (2) white 4.25 x 5.5 inch paper card layer (back)
- (2) white 4 x 5.25 inch paper card layer (front)
- (1) copy paper
- Sizzix Tape Runner

Extra Supplies Needed

- Blending brushes
- Washi tape
- Bone folder (optional)

Instructions

1. Tape down the front (smaller) card layer to the copy paper with washi tape.
2. Line up the stencil and hold it in place with washi tape and ink blend the outside frame (butterfly or fern) in the color of your choice.
3. Layer sentiment section of the stencil to the same card front, tape it down, and ink blend in the different color of your choice.
4. Ink blend the edges, about 0.5 inches in depth, of the back (larger) card layer in the color of your choice.
5. Fold the card base in half to make a 5.5 x 4.25 (A2) card.
6. Glue front (smaller) card layer to the back (larger) card layer, and glue combined layers to the card base.
