

Cutie Koala Cards

Christmas Koala “Build a Scene”

Supplies Provided in Kit

- Prickly Pear Stamps Santa Koala & Mrs Claus Stamp Set (CLR230)
- (1) white A2 Card base and envelope
- (1) kraft 4 x 5.25 inch paper card layer
- (1) snowflake 3.75 x 5 inch paper card layer
- (1) white 3.75 x 5 inch paper card layer (snow)
- Stamped and Colored Koala Images
- Xyron Sticker Maker
- Sizzix Tape Runner

Extra Supplies Needed

- Black Ink
- Scissors
- Stamp Block

Optional supplies

- Prickley Pear Stamps Santa and Mrs Claus Die (PPRS - D230)
- Copic Markers for Coloring Stamped Images
- Misti

Instructions

1. Fussy cut (or die cut) out the Santa Koala, Mrs Claus, gift bag, and present
2. Cut out 3 sections of the white snow paper section (3.75" x 5"), to make horizontal sections, with scissors making wavy lines like "snow drifts". Make sure the bottom layer is at least 1" tall to allow you to stamp in the sentiment.
3. Pick out your bottom layer, and stamp your sentiment in black in the bottom right corner - pick your favorite phrase from the stamp set.
4. Glue down the "snow drifts" in layers bottom to top to the snowflake paper, only gluing down the bottom section to allow the paper to fit into each other.
5. Glue down the 4 fussy cut stamped images to create a winter scene
6. Glue down the layered scene to the kraft paper and then glue to the card base.
